THE CHRONICLE-JOURNAL/BRENT LINTON

Building up their library

Ogden Community School students, from left, Tina-Marie Hari, Dallas Rioux, Jenna Myers and Brayden Blackwell — all eight years old — look through a book during a shopping trip at Chapters. The Monday visit for the Grade 3 students was the third and final book shopping trip at Chapters for the Ogden students. The visit was part of the Indigo Love of Reading Fund Grant, with Ogden Com-

munity School being one of 10 Canadian schools to receive \$150,000. Each year for the last three years Ogden school had a store credit of \$45,000 for the purchase of books for the school and \$5,000 yearly for special literacy projects. Each of the 170 students who took part in the trip picked out a book for the school's main library and classroom libraries.
